Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: It was suggested that new claims 37-49 be cancelled since Hoffman et al clearly discloses the limitation of the claim directed to "breaking chemical bonds about lens fibers of the eye" . It was agreed that claims 37-49 would be cancelled by Examiner's Amendment..
